For Social Workers Who Want to Learn Why You Should Boost your Social Work Income

Hi There,

“Today is a great day to do what you do best!”

I created this power PDF so that you can find the most current articles sharing the REAL reasons social workers should have side hustles. These articles probably say what you have suspected or describe what you currently feel.

Anyone can work a second job. My goal is for you to have a side hustle that fits you like a “*badass*” pair of shoes.
