

EMPLOYEE ASSISTANCE SPECIALIST – CLINICAL (EAS-C) CERTIFICATE COURSE

FOR EAP AFFILIATE PROVIDERS IN THE UNITED STATES

*Increase the value of your
partnership with EAP vendors!*

Course Highlights

- **One-day** certificate course provides you with the foundational information specific to employee assistance practice essential for success! No test, no continuing education requirements.
- **FREE** 1 year EA Specialist directory listing Included.
- **Directory listings** are provided to select EAP vendors who grant “preferred provider” status to EAS-C graduates. A single referral could easily pay for your training!
- **Educational credit** is available for EA professionals, social workers, professional counselors, and addiction professionals.
- Developed and delivered by the Employee Assistance Professionals Association (EAPA), the sponsor of the Certified Employee Assistance Professional (CEAP®) credential.
